Workshops for Elected Officials

RMA, AUMA, and [Infrastructure and Asset Management Alberta](#) (IAMA) have been working to bring you **FREE** workshops to introduce you and your council to the ins and outs of asset management. The workshops will also show how you can support your staff by championing asset management in your community. [Register today](#) for the last full day introductory workshops for elected officials and CAOs on [April 25 in Spruce Grove](#).

Sign up for half day courses that dive into topics such as policy, climate change, risk, and more. These courses are available between May 2, 2018 and June 5, 2018. [Click here](#) for more information.
