

Rural Municipalities of Alberta Post-Secondary Scholarship Program Application 2018

In recognition of the importance of an educated population to the future well-being of rural communities, the Rural Municipalities of Alberta (RMA) established the RMA Scholarship Program (previously Alberta Association of Municipal Districts and Counties) in 1995. The RMA Scholarship Program is designed to encourage young rural Albertans to pursue further education, and thereby enhance the ability of these young people to make meaningful contributions to their communities in subsequent years. Through the Scholarship Program, the RMA provides funding assistance to one student in each of the five RMA geographic districts each year.
