

## Lessons from Germany on a Renewable Energy Economy: An opportunity to speak with Professor Dr. Manfred Fishedick

The University of Calgary, in partnership with the AAMDC, is hosting the opportunity to discuss renewable energy transitions with one of Germany's foremost experts in the area. Dr. Manfred Fishedick is the Vice President at the Wuppertal Institute for Climate, Environment and Energy as well as a Professor at the Schumpeter School of Business and Economics at the University of Wuppertal. Dr. Fishedick acts as an advisor to the European Union, the German Federal government, and many states and cities (e.g. Munich and Aachen) as well as to the business sector.

If you would like to participate in a conversation with Dr. Fishedick, a town hall style conference call will be held on **February 21, 2018 from 10:50 – 11:40 am**.

If you would like to participate, please RSVP to Amrit Matharoo at [amrit.matharoo@ucalgary.ca](mailto:amrit.matharoo@ucalgary.ca) for call in information.

The teleconference will be **free** for all participants.
