

## Asset Management Workshops for Elected Officials – Edmonton area registration open!

AAMDC and AUMA, with support from [Infrastructure and Asset Management Alberta](#) (IAMA), are excited to bring you one-day introductory asset management workshops for elected officials and senior administration!

These workshops are the first of three rounds of workshops in Alberta, that are made available through funding received from the [Federation of Canadian Municipalities](#) (FCM) [Municipal Asset Management Program](#) (MAMP). In partnership with the AAMDC and AUMA, workshops will be offered free of charge.

All workshops are geared towards **rural and small urban municipalities with limited asset management experience.**

### Register today – Edmonton area!

### Save the date!

Three workshop series hosted by AAMDC, AUMA, and IAMA:

- **One-day introductory workshops** for elected officials and senior administrators held in five locations across Alberta;
- Five different **half-day workshops** held in various locations across Alberta. Topics include:
  - Weathering the storm: Asset management and climate change
  - RISK: How asset management can help!
  - Boring until it is broken: Engaging the public in infrastructure and asset management
  - It's got teeth but doesn't bite: Developing and implementing an effective AM policy
  - "I want a five-star experience for a two-star price": Setting and communicating levels of service (LOS)
- **Two-day introductory workshops** for municipal staff held in five locations across Alberta.
