RMA Resolution Database Temporarily Unavailable

As the RMA transitions to a new website, the resolution database will be temporarily unavailable. In the meantime, the RMA's Fall 2017 Report Card is attached for reference and we encourage you to contact the staff members noted at the bottom of this bulletin with any resolution-related questions.

The RMA plans to have the resolution database available with updated resolutions from the spring 2018 convention in mid-April. We apologize for any inconvenience this may cause.
