Start your Asset Management journey today!

Before becoming a councillor, reeve, mayor, or CAO did you hear the term “asset management” and not have a clue what it meant? Or did you think it was about roads and bridges but now you know that it is so much more than that?

RMA, AUMA, and [Infrastructure and Asset Management Alberta](#) (IAMA) have been working to bring you **FREE** workshops to introduce you and your council to the ins and outs of asset management. The workshops will also show how you can support your staff by championing asset management in your community.

One day of a workshop can translate into a lifetime of knowledge in your council!

[Register today](#) for full day introductory workshops for elected officials and CAOs:

[March 29 – Lethbridge](#)
