

## Apply for FCM's 2018 Sustainable Communities Awards

Do you want your community to be recognized as a sustainability leader? Nominate your municipality for **FCM's 2018 Sustainable Communities Awards!** The awards celebrate the most innovative local sustainability projects from across the country in the following categories:

- Asset management
- Brownfields
- Climate change
- Energy
- Sustainable neighbourhood revitalization and design
- Transportation
- Waste
- Water

Communities do not need to be members of FCM or have received funding from FCM in order to be eligible. Eligible initiatives must be started or completed between January 1, 2016 and September 15, 2017.

Award winners receive local and national recognition and promotion for their initiatives, and the opportunity to present at FCM's Sustainable Communities Conference. [Learn more and apply](#) by **September 15, 2017**.
