NEXT WEEK: AAMDC Webinar on the Modernized Municipal Government Act

The AAMDC is hosting an MGA Webinar to provide members the opportunity to learn more about **Bill 21: Modernized Municipal Government Act**. The information will largely replicate the information provided to members at the AAMDC hosted consultations in June, but will provide some additional supplementary information that has been gathered since the legislation was received. There will also be the opportunity to ask questions and receive clarification on the MGA amendments and issues.

The webinar will be held on **July 28, 2016** from **9:00am to 11:30am** and is intended for **members only**.

To register, visit the Eventbrite page [here](#) and request an invitation. An invitation will be emailed to you that will include a link to register for the event. **You must register for the event to receive the link for the webinar.** A link to the webinar will be sent out early next week. Please note that to participate, you require internet access and speakers. We ask that you join the event 15 minutes prior to the start time, so that we may begin promptly at 9:00am.
