

## **Infrastructure and Asset Management Alberta (IAMA) Workshop on October 12 – Mark Your Calendar!**

**Infrastructure and Asset Management Alberta** (IAMA) is hosting their upcoming workshop in Red Deer on October 12, 2016. IAMA is a network of professionals, organizations, and agencies with an interest in infrastructure or asset management.

October's workshop will provide an opportunity to learn about several issues related to asset management, including how to move asset management planning from theory to practice, the challenges of implementing asset management in an organization, and an overview of available grants to support asset management.

The IAMA is targeted towards municipal staff and those familiar with or seeking further information on asset management and TCA planning. The AAMDC is a member of the IAMA working group.

**Please note, for the first time, registration for the workshop will require a small fee of \$30. The fee includes workshop attendance, lunch, snacks and coffee/tea.**

**Registration will be open soon on the IAMA website, and the link will be available via Contact, likely next week.**

Details of the workshop are as follows:
