

## Registration Open for the Greener Facilities Conference & Expo!

This first-time event will prepare and educate Alberta-based facility managers and municipal staff on new technologies and innovation, share best practices, link programs that modify occupant behavior with infrastructure improvements, and address funding options to reduce greenhouse gas emissions in their facilities and/or outdoor spaces.

Sessions will address a wide range of topics, including energy efficiency 101, innovative design elements for green buildings, and community success stories. Check out the [conference teaser](#) to see sessions, presenters and exhibitors!

### Conference Information:

November 9 – 10, 2017  
Delta Hotel, Marriott Edmonton South  
4404 Gateway Boulevard

Registration fee: \$99
