## **Calls for Nomination: Safety Codes Council – Gas Sub-Council**

The AAMDC is seeking two individuals to fill vacant spaces on the Safety Codes Council (SCC) Gas Sub-Council. Members of the SCC are nominated by the AAMDC and appointed by the SCC because they have valuable technical knowledge and experience in the discipline pertaining to their sub-council – in this case gas. SCC members serve as an important conduit for two-way communication between the SCC and the AAMDC and its membership.

The Gas Sub-Council members meet on a regular basis to discuss issues in the building industry and to make sure that our built environment is safe to inhabit. For more information on the SCC Gas Sub-Council, click [here](#).

Those with further questions about the requirements are encouraged to contact Erin Stroud, Manager of Stakeholder Relations with the Safety Codes Council at 780.392.1366 or at [stroud@safetycodes.ab.ca](mailto:stroud@safetycodes.ab.ca)

Nominations to sit on the SCC Gas Sub-Council are encouraged to submit their names to AAMDC Policy Analyst, Matt Dow at [matt.dow@aamdc.com](mailto:matt.dow@aamdc.com) by November 30, 2016. Nominees should provide brief profile(s) listing experience and background. These will be forward to the SCC for consideration.

Enquiries may be directed to:
