Participate in the Water Innovation Program Forum

*The Alberta Innovates Water Innovation Program (WIP) is designed to help achieve the goals of the Government of Alberta's **Water for Life Strategy**: safe, secure drinking water; healthy aquatic ecosystems; and reliable, quality water supplies for a sustainable economy.*

Alberta Innovates is hosting the **Water Innovation Program Forum**, the purpose of which is to review the progress of research initiatives, support planning for new initiatives, and discuss how research outcomes can inform public policy and support improved water management in Alberta.
