Subdivision and Development Appeal Board (SDAB) Training

As per the Municipal Government Act (MGA), it is mandatory for training to be taken before April 1, 2019

The MGA includes a requirement for SDAB members and clerks to undergo mandatory training based on a standard program approved by the Minister of Municipal Affairs. SDAB training will ensure that hearing practices are consistent across the province, and board members have a comprehensive understanding of their role and the appeal process. Training for SDAB members and clerks has been made available free of charge by Municipal Affairs, as has the [SDAB training curriculum and supporting material](#). Although the Municipal Affairs training sessions are **FULL**, the below is a listing of SDAB training sessions that are being offered by the province, as well as current waitlist information.
