Investing in Canada Plan Webinar Recording Now Available

The Investing in Canada plan is a federal program that will contribute approximately \$3.4 billion in infrastructure funding to Alberta over ten years. For more details on the Investing in Canada plan, [click here](#) or view this [RMA bulletin](#) from earlier in 2018.

On June 27, 2018, RMA and the Alberta Urban Municipalities Association collaboratively hosted a [webinar](#) on the Investing in Canada plan. The webinar featured representatives from Alberta Infrastructure, and focused on several areas, including:

- An overview of the Investing in Canada plan and each funding stream
- The application process
- The evaluation process
- Cost-sharing requirements

The webinar also includes responses to several questions on topics such as non-profit eligibility, the eligibility of specific projects, clarification on provincial cost-sharing contributions, evaluation timelines, and other areas.

The webinar recording can be accessed [here](#).
