District-Endorsed Resolutions Update – District 3

As part of RMA's [resolution process](#), municipalities are encouraged to submit resolutions to their districts for discussion and endorsement prior to forwarding them to RMA for inclusion on the resolution agenda at each convention. To assist municipalities in avoiding resolutions that duplicate those endorsed in other districts, RMA will provide the name and sponsoring municipality of resolutions endorsed at district meetings on a weekly basis as district meetings occur.

On July 16, 2018, District 3 (Pembina River) held a district meeting. The following resolutions were endorsed:

- Review of Education Funding Formula – Sponsored by Athabasca County
- Province to amend *An Act to Control and Regulate Cannabis* to restriction the consumption of cannabis based on regulations for liquor consumption – Sponsored by Thorhild County
- To Separate Industrial Hemp from Cannabis Regulations – Sponsored by Brazeau County
- Demand Meters and Rate Risers - Sponsored by Brazeau County

Members are also encouraged to search RMA's [Resolutions Database](#) for active resolutions prior to submitting a new resolution.
