## Infrastructure Asset Management Alberta (IAMA) Workshop on October 10, 2018

*Register now for the IAMA workshop, being held for the first time in the Calgary area!*

**Infrastructure Asset Management Alberta (IAMA)** is hosting a workshop in Airdrie on Wednesday, October 10, 2018. The workshop will feature sessions on integrating asset management into long-term financial planning, and the difference between managing assets and asset management. There will also be a panel discussion on the asset management progress made to this point by various municipalities, and how other municipalities can learn from their successes and challenges.

The IAMA is targeted towards municipal staff and those familiar with or seeking further information on asset management and tangible capital asset planning. RMA is a member of the IAMA working group and on the IAMA Board.

Registration for the workshop will require a fee of \$50.00. The fee includes workshop attendance, continental breakfast, lunch, snacks, and coffee/tea. The agenda for the workshop is available [here](#).
