District-Endorsed Resolutions Update – District 2 and District 3

As part of RMA's [resolution process](#), municipalities are encouraged to submit resolutions to their districts for discussion and endorsement prior to forwarding them to RMA for inclusion on the resolution agenda at each convention. Members are encouraged to search RMA's [Resolutions Database](#) for active resolutions prior to submitting a new resolution. To assist municipalities in avoiding resolutions that duplicate those endorsed in other districts, RMA provides the name and sponsoring municipality of resolutions endorsed at district meetings on a weekly basis as district meetings occur. Please see resolution information below for District 2 and District 3.
