## Registration Open for Subdivision and Development Appeal Board Training Webinars

*Spots are limited, so sign up soon!*

Recent changes to the *Municipal Government Act* (MGA) include a requirement for Subdivision and Appeal Board (SDAB) members and clerks to undergo mandatory training before April 1, 2019 based on a **standard program** developed by Municipal Affairs.

Due to the high levels of interest in the in-person training sessions offered by Alberta Municipal Affairs, RMA, and the Alberta Urban Municipalities Association in 2018, Alberta Municipal Affairs has organized **three additional webinar SDAB training sessions**. The sessions are scheduled for the following dates:

- Thursday, January 24
- Tuesday, January 29
- Thursday, January 31

Each session is designed for 35 participants. Sessions will begin at 9:00am, break from 12:00pm – 12:30pm, and conclude from 12:30pm – 3:30pm, with a final assessment of learning running from 3:30pm – 4:00pm.

The webinar training sessions will provide the required training for SDAB members and clerks, review information such as the jurisdiction of the SDAB, administrative law and natural justice principles, planning principles, development permitting and subdivision, and roles, responsibilities and administrative procedures for SDAB members and clerks.

Registration is free and will be taken on a first come, first served basis. Registration will end two days prior to the session, except for those following a weekend where registration will close Friday at noon. A wait list will be created should the session fill up and waitlisted individuals will be contacted directly should a seat become available.

To register for a webinar, [click here](#).
