TIRE PROGRAM

RMA is proud to offer its members an efficient and competitively-priced and tire program. Having gone through the RFP process on behalf of our membership, the program is fully compliant with the CFTA and other public procurement practices, meaning less red tape and easier purchases for members. The current standing offer program evolved from our historic approved supplier model to meet the needs of our members in the current market.

In our 2018 RFP process through Alberta Purchasing Connection (APC), our successful vendors were Kal Tire, Michelin, Tirecraft, and Goodyear, each chosen for their competitive pricing and high quality.

HOW IT WORKS

1. Determine what tires you require.
2. Go to your preferred supplier to order your selected tires.
3. Notify them that you are ordering though the "RMA Member National Account" system.
4. Provide your PO# and "Ship to" information.
5. RMA will be listed as the "Bill to" information.

NOTE: *National Tire Account pricing will not be available at the vendor as pricing is proprietary information shared only between RMA and the manufacturer.*
