## ARHCA Releases Updated Equipment Rental Rates Guide

*The Equipment Rental Rate Guide provides users with industry standard rates*

The [Alberta Roadbuilders and Heavy Construction Association](#) (ARHCA) has released their 2019 [Equipment Rental Rates Guide](#), which is available for purchase. The ARHCA Equipment Rental Rates Guide provides users with up to date, accurate information on equipment rental rates. The rates are calculated using current Alberta-based data. While owners and renters should feel free to negotiate rates, the guide is designed to provide a fair market value for equipment rental.

The 2019 guide has been re-engineered and includes [significant updates](#) to the 2018 guide.

The ARHCA Rental Rates Guide is the accepted authority for:

- Alberta Transportation
- Alberta Environment and Parks
- Parks Canada
- Canadian Forest Service
- City of Calgary force account rates
- City of Edmonton force account rate for contracted roadway construction
- City of Edmonton Transportation and Streets for the winter road programs

It is also used frequently by irrigation districts, municipalities and consulting engineers. For information on the Guide, please contact [info@arhca.ab.ca](mailto:info@arhca.ab.ca).
