## Thank you to all who attended RiskPro 2019

*This year RMA Insurance was pleased to present our 11th annual risk management seminar.*

In response to member feedback, this year we continued to offer our workshops as a two-day insurance and risk symposium at three locations throughout the province. We offered multiple streams to give our members a greater selection of topics to choose from, giving different departments the benefit of risk management education.

This year's sessions proved to be a great success. Our sessions were well received, and the feedback provided to our group was overwhelmingly positive. RMA had 52 attendees in Calgary, 99 attendees in Nisku, and 38 attendees in Grande Prairie. We were able to present several esteemed speakers, as well as have great internal staff present.

- **Angela Kos**, Partner, Brownlee LLP
- **Heather Cave**, Student at Law, Brownlee LLP
