## Provide Feedback on *Water for Life* Strategy Implementation

The [Water for Life strategy](#) is a provincial water strategy adopted by Cabinet in November 2003. Since then, the Government of Alberta renewed the strategy in 2008 and released a *Water for Life* Action Plan in 2009. The [Alberta Water Council](#) (AWC) is reviewing the *Water for Life* strategy and is seeking input from municipalities and other stakeholders. The review focuses on progress made from January 2016 to December 2019. Input provided will inform the AWC committee as it develops recommendations for the future of *Water for Life*.

To participate in the survey, click [here](#). Please submit your response by **August 31, 2019**. For questions related to the survey, please contact the AWC committee's project manager at [lhall@awc-casa.ca](mailto:lhall@awc-casa.ca).
