## Here's How to Get in Touch with Peer Mentors

*The Peer Network website is currently undergoing maintenance. In the meantime, use this bulletin to contact peer mentors*

The Peer Network is a partnership that has created a group of peer mentors who municipal leaders, including councillors and administrators, can contact to obtain advice and/or assistance to help address municipal disputes. Partnering organizations include the Rural Municipalities of Alberta, the Alberta Urban Municipalities Association, the Local Government Administration Association, and the Alberta Rural Municipal Administrators Association. Each partnering organization has two mentors representing their association.

The Peer Network website is currently undergoing maintenance and will be unavailable in the coming weeks. Because municipal disputes can happen anytime, it is important that municipal leaders have access to peer mentors when they need it. Peer mentor contact information is as follows:
