Provide Your Feedback on the Alberta Energy Regulator

Feedback will be collected between September 6 and October 14, 2019.

The Government of Alberta is seeking feedback from stakeholders and the public on ways to improve the **Alberta Energy Regulator** (AER), while still maintaining stringent environmental standards and respecting the rights of landowners.

The goal of the review is to identify changes and enhancements to the AER's mandate, governance and system operations to ensure that Alberta remains a predictable place to invest and a world leader in responsible development.

The review will include:

- In-person stakeholder workshops with industry, municipal and professional associations, government departments, and Indigenous groups
- Collaboration with governance and regulatory experts
- Online form to provide feedback

Click [here](#) to provide feedback. Feedback will be collected between **September 6 and October 14, 2019**.

If you have questions about the review, email AERreview@gov.ab.ca.
