## Upcoming Community Conserve Webinar

*Learn how Alberta municipalities can pool their resources to address common environment and conservation issues.*

**Community Conserve** is a web-based capacity-building and fund-pooling tool created by the Miistakis Institute and **Environmental Law Centre**, with the support from the RMA and AUMA. Municipal personnel participate by posting and voting on environmental issues and ideas. The top-ranked ideas are converted into actionable plans and posted on the site. Interested municipalities can then pool their resources to fund those plans.

The Miistakis Institute will be hosting a webinar for RMA members on **October 15 from 12:00 - 1:00 pm**, explaining how Community Conserve works and how it can help municipalities address environmental and conservation issues.

If you are interested in attending this webinar, please join at: <https://zoom.us/j/139156234> Or you can dial by your location:

- 647.558.0588 Canada
- Meeting ID: 139 156 234
