Tobacco and Smoking Reduction Act Review

Feedback is being accepted through written comments and an online survey

The Government of Alberta has announced the review of the ***Tobacco and Smoking Reduction Act (TSRA)***, to consider ways to prevent and reduce the harms associated with the use of tobacco, vaping and tobacco-like products. The TSRA establishes measures to prevent and reduce tobacco use and to protect individuals from the harms of tobacco and second-hand smoke.

As a part of the review, the TSRA Secretariat will accept written submissions from RMA members. Please submit your submission to tsra.review@gov.ab.ca by **November 29, 2019**. An online public survey is also available to provide feedback to the review. The online survey can be found at www.alberta.ca/tobacco-and-smoking-reduction-review.aspx.
