EOEP Courses at RMA 2020 Spring Convention & Tradeshow

Registration opens January 6, 2020

The **Elected Officials Education Program** (EOEP) will be offering two courses at the RMA 2020 Spring Convention & Tradeshow. These courses are designed for municipal elected officials to build skills and provide peer learning opportunities. The courses that will be offered at the Spring Convention are:

- Council's Role in Public Engagement
- Regional Partnerships and Collaboration

Note that the Council's Role in Public Engagement course has recently gone through a substantial content update. Additionally, while ICFs are part of collaboration, the Regional Partnerships and Collaboration course also explores the ongoing nature of collaboration (including non-legislated areas).

Registration for these courses will be through the main registration page for the **2020 Spring Convention & Tradeshow**. **Registration will open on January 6, 2020.**
