Infrastructure Asset Management Alberta (IAMA) Workshop on February 12

Register for the next IAMA workshop in Red Deer

Infrastructure Asset Management Alberta (IAMA) is hosting a workshop in Red Deer on **Wednesday, February 12, 2020**. The workshop will feature presentations on several topics, including an update on IAMA's role in delivering asset management training under the FCM's **Municipal Asset Management Program**, bridging the asset funding gap, sidewalk and paved trail assessments, and the role of asset management in addressing climate change impacts. The workshop will also include IAMA's annual general meeting, where members will have an opportunity to elect the IAMA 2020 Board of Directors. The complete agenda is available [here](#).

IAMA is targeted towards municipal staff and those familiar with or seeking further information on asset management. RMA is a member of the IAMA working group and on the IAMA Board.

Workshop registration is \$100, although the rate is discounted with the purchase of an **IAMA annual membership**. Workshop registration is currently open. [Click here to register](#).
