Municipal Wetlands Data Workshop in the Bow River Basin

The [Miistakis Institute](#) is hosting a free [Municipal Wetlands Data Workshop](#) for municipalities located in the Bow River Basin. The workshop will help municipal staff better understand what wetland data challenges exist and create a strategy for collectively moving forward to secure wetlands data relevant to municipal planning and wetland conservation. It will include presentations on the current situation, working sessions to clarify municipal needs, and will end with framing a strategy for securing municipally relevant wetlands data.

This workshop is only open for personnel with municipalities in the Bow River Basin, which includes:

- M.D. of Bighorn
- M.D. of Ranchland
- Foothills County
- County of Newell
- Mountain View County
- Rocky View County
- Vulcan County
- Wheatland County

The workshop will be held on February 13 at [Mount Royal University](#) in the Roderick Mah Centre for Continuous Learning in Room EC 2075 from 10:00 am - 3:30 pm.
