## RMA Announces Partnership with BoxOfDocs

To promote increased access to a central collection of municipal information, the RMA is pleased to announce our partnership with [BoxOfDocs](#). BoxOfDocs enables key municipal staff access to hundreds of thousands of municipal documents such as bylaws, ordinances, policies, RFPs, job descriptions, and procedures from municipalities all in one place and most importantly, secure. It is the world's largest collection of municipal best practices and allows municipal staff to quickly search for information in an easy-to-use interface.

Through this partnership, RMA members are entitled to a reduced annual subscription fee for BoxOfDocs, enabling access to relevant and current documents in a timely fashion. To learn more about this unique partnership and the discount available for RMA member municipalities, please visit [boxofdocs.info/rma](http://boxofdocs.info/rma).
