Check Out the Government of Alberta's Emergency Preparedness Resources

The Government of Alberta has developed a variety of emergency preparedness tools that can be shared with residents to support safe communities

In advance of Emergency Preparedness Week, which takes place from May 3-9, the **Government of Alberta** has developed a variety of resources to support Albertans in preparing for emergencies. RMA members are encouraged to review the resources below and share them with residents and other organizations through social media and other means.

Hazard preparedness

- Includes information on hazards in Alberta with preparedness tips and **60-second videos** that are shareable on social media.

Build an emergency kit

- Includes printable brochures and checklists for family, pet, farm animal, and vehicle preparedness.

Raise awareness in your community

- Includes tools and resources for communities to raise awareness, including information on emergency preparedness week, #PrepareYourSelfie campaign, and **60-second videos** that are sharable on social media.

Make an emergency plan

- Includes an emergency preparedness guide, tips on how to communicate during an emergency and information pets and farm animals, information on how to help children during emergencies, and a guide for people with disabilities.

Emergency preparedness

- Includes hazard and general emergency preparedness information, including shelter-in-place and evacuation fact sheets.
