

## GROUP BENEFITS PREMIUM RELIEF DURING COVID-19

With many health practitioners closing their offices due to pandemic restrictions, plan member use of dental benefits and some health benefits has declined.

Most insurance carriers are providing temporary premium relief for their **non-refund insured** customers. The premium credits apply to April and / or May premium and potentially beyond this. If you are an **Administrative Services Only (ASO)**, this does not apply.

Below is a summary of the credits being offered. For full details, please refer to any communication from your insurance carrier or that you may have already received from Lane Quinn / RMA Benefits:

Insurance Carrier	Dental Premium Credit	Healthcare Premium Credit
Group Source	Up to 60%	Up to 10%
Sun Life	50%	20% to non-drug premium
Manulife	50%	9%
Canada Life (Great-West Life)	50%	20% to non-drug premium
Alberta Blue Cross	50%	25% to non-drug premium
Desjardins	70%	N/A
Co-Operators	50%	10%
Equitable Life	50%	8%
Green Shield	75%	20% to non-drug premium

If you have any questions on this or any other aspect of your benefits program, please contact:
