

COVID-19 EMERGENCY CALL FOR MASKS

March 23, 2020

To Our Valued Customers,

Many of our businesses use N95 masks in our business to complete tasks. In Canada there is desperate need for these items for our health care workers, doctors, and nurses. Please check your shelves, closets, or safety supply areas for these masks.

You can drop these masks at **any Fleet Brake location** in Canada and **we will deliver** to the local health authority.

The health care people who are taking care of us
NEED OUR HELP.

LOCATION	PHONE	PARTS EMAIL	SERVICE EMAIL
Penticton	1-250-493-8847	parts13@fleetbrake.com
