## Guidelines for Re-opening Playgrounds and Other Supports Available on Alberta Biz Connect

*Alberta Biz Connect is a helpful hub for both municipalities and local businesses to access information on how to re-open safely*

As Alberta continues its gradual relaunch process, information on re-opening for different sectors and business types is available on the [Alberta Biz Connect](#) website.

Municipal playgrounds are now permitted to be re-opened (at the discretion of municipalities) and RMA encourages members to access the [Guidance for Playgrounds](#) document for information on how to mitigate risks of re-opening playgrounds. The Alberta Biz connect website also includes guidance on re-opening other services and sites that may be operated by municipalities, including:

- Dog parks
- Golf courses
- Homeless shelters
- Campgrounds
- Day camps
- Interpretive attractions
- Museums
- Outdoor recreation

In addition to re-opening guidelines on Alberta Biz Connect, Alberta Municipal Affairs continues to provide [bi-weekly updates on municipal-specific changes](#) related to COVID-19.
