ARHCA Releases Updated Equipment Rental Rates Guide

The Equipment Rental Rate Guide provides users with industry standard rates

The [Alberta Roadbuilders and Heavy Construction Association](#) (ARHCA) has released their 2020 [Equipment Rental Rates Guide](#), which is available for purchase. The ARHCA Equipment Rental Rates Guide provides users with up to date, accurate information on equipment rental rates. The rates are calculated using current Alberta-based data. While owners and renters should feel free to negotiate rates, the guide is designed to provide a fair market value for equipment rental.

The ARHCA Rental Rates Guide is the accepted authority for:

- Alberta Transportation
- Alberta Environment and Parks
- Parks Canada
- Canadian Forest Service
- City of Calgary force account rates
- City of Edmonton force account rate for contracted roadway construction
- City of Edmonton Transportation and Streets for the winter road programs

It is also used frequently by irrigation districts, municipalities, and consulting engineers. For information on the guide, please contact info@arhca.ab.ca.
