COVID-19 Mental Health Resources

PolicyWise has developed infographics on key lessons learned from the COVID-19 pandemic

PolicyWise, an Edmonton-based non-profit organization focusing on child well-being, has developed four infographics outlining key lessons learned from research and Alberta's own experience with psychosocial responses and recovery from crises. These may be used to anticipate community mental health needs and inform the approach taken by Family and Community Support Services (FCSS). The infographics can be viewed below:

- [Information for Albertans](#)
- [Considerations for Supports and Services](#)
- [Considerations for a Provincial Response](#)
- [Shared Principles for Recovery](#)
