MCCAC Receives an Emerald Award

On June 2, the RMA and AUMA were recognized by the [Alberta Emerald Foundation](#) with an [Emerald Award](#) for the decade-long impact achieved by the [Municipal Climate Change Action Centre](#) (MCCAC). The Alberta Emerald Foundation showcases and inspires environmental achievements of business, individuals, non-profits, youth, and governments in Alberta.

Congratulations to MCCAC staff for all their hard work on helping municipalities address climate change and reduce greenhouse gas emissions. To join other municipalities in taking action on climate change, view [MCCAC's programs](#) here.

The RMA extends congratulations to all the other Emerald Award recipients and nominees on their work showcasing environmental stewardship!
