Register Now for the EOEP Public Engagement Virtual Course Starting June 25

EOEP is launching its first online interactive course, don't miss this opportunity!

The **Elected Officials Education Program** (EOEP) has been working hard to find ways to provide access to our programs during the COVID-19 pandemic and has developed an exciting opportunity for RMA and AUMA members to participate in a **virtual offering** of the **Council's Role in Public Engagement course**. This course was selected as the first virtual offering in light of the adjustments municipalities are making to engage with their citizens during the COVID 19 pandemic. This course will be facilitated by Maria deBruijn, an experienced EOEP facilitator who also presented a well-received webinar to both RMA and AUMA members on running effective virtual meetings.

This course will be offered using a hybrid delivery, with some “homework” reading required by participants as well as four video chat sessions. This will allow participants to review material on their own as well as participate in group discussions and ask questions during the video chat sessions. The course will be offered with the following schedule:

- Zoom Interactive session #1: Thursday, June 25, 2:30 – 4:30 pm
- Zoom Interactive session #2: Thursday, July 2, 2:30 – 4:30 pm
- Zoom Interactive session #3: Thursday, July 9, 2:30 – 4:30 pm
- Zoom Interactive session #4: Thursday, July 16, 2:30 – 4:30 pm

The course will be offered at a reduced rate of \$200. Please note that it although EOEP encourages as many members of your council to participate as are interested, you will each need your own device and individual registration to access course materials and video chats.

Take advantage of this new opportunity and **register for the course now**.
