## Register Now for Municipal Corporate Planning and Finance Virtual Course

*EOEP is launching its second online interactive course - don't miss this opportunity!*

The **Elected Officials Education Program** (EOEP) has been working hard to find ways to provide access to programs during the COVID-19 pandemic and has developed an exciting opportunity for RMA and AUMA members to participate in a **virtual offering** of the **Municipal Corporate Planning and Finance course**. This course has been adapted to include information for elected officials regarding COVID-19 impacts on municipal finances. This course will be facilitated by Rodney Boyko, an experienced EOEP facilitator who has previously been involved with revising the content of the finance course.

This course will be offered using a hybrid delivery, some homework reading required by participants, as well as four video chat sessions. This will allow participants to review material on their own as well as participate in group discussions and ask questions during the video chat sessions. The course will be offered with the following schedule:

- Zoom interactive session #1: Wednesday, July 22, 2:30 – 4:30 pm (this session is an extra 30 minutes to allow for an introduction to the technology used)
- Zoom interactive session #2: Wednesday, July 29, 2:30 – 4:00 pm
- Zoom interactive session #3: Wednesday, August 5, 2:30 – 4:00 pm
- Zoom interactive session #4: Wednesday, August 12, 2:30 – 4:00 pm

The course will be offered at a reduced rate of \$200. Please note that although EOEP encourages as many members of your council to participate as are interested, each participant must have their own device and individual registration to access course materials and video chats.

This second course offering comes on the heels of two previous online EOEP courses, both of which sold out in just a few days, so be sure to register early.

Take advantage of this new opportunity and [register for the course now](#).
