RiskPro 2020 Moves Online

RMA Insurance is excited to announce that RiskPro 2020 will be offered online as a series of webinars. Due to COVID-19 pandemic, our previously planned March and April in-person events were postponed until we could arrange an alternative offering for our members.

RiskPro 2020 online will help you continue your insurance education, risk management training, and claims best practices, as well as help you discover your own role in promoting a stronger risk management culture in your organization.

The event has been reformatted into four, 45 to 90-minute webinars. The new agenda will be:

- September 22, 2020 at 10:00 am: Meet the RMA Insurance Staff
- September 24, 2020 at 10:00 am: Brownlee LLP, presenting The Legality of Fire Permitting
- September 29, 2020 at 10:00 am: Doug Wyseman, presenting Managing Risks Accompanying Decimated Budgets
- October 1, 2020 at 10:00 am: AON, presenting COC and Wrap-Up Coverages

Attending these online sessions will qualify you for 2% RiskPro credit once you have met the audit requirements.

The cost for all four sessions will be \$25 per member. Event registration will open soon. Please visit RMAinsurance.com/RiskPro for more information.
