## Save the Date: Infrastructure Asset Management Alberta (IAMA) Virtual Workshop – October 13 to 15

*Register for the next IAMA workshop, held in two-hour sessions over three days*

**Infrastructure Asset Management Alberta (IAMA)** is hosting its first **virtual workshop** in October. Workshop programming will be delivered over three days, from October 13 to 15. Each day, virtual programming will run from 10:00 am to 12:15 pm, and include an opportunity for networking.

The workshop will feature presentations on several topics, including the role of risk in asset management, open source asset management tools for small municipalities, condition analysis and rehabilitation prioritization, and others.

The full agenda will be available soon and registration will open in the coming weeks.

IAMA is targeted towards municipal staff and those familiar with or seeking further information on asset management. RMA is a member of the IAMA working group and on the IAMA Board.

Workshop registration will be offered at a special reduced rate of \$75, although the rate is further discounted with the purchase of an **IAMA annual membership**.
