Registration Open for EOEP's Regional Partnerships and Collaboration Course

The [Elected Officials Education Program](#) (EOEP) has been working hard to find ways to provide access to programs during the COVID-19 pandemic and has developed an exciting opportunity for RMA and AUMA members to participate in a **virtual offering** of the [Regional Partnerships and Collaboration course](#). This course will be facilitated by Stephanie Gagnon and Lauren Bartlette, both experienced EOEP facilitators who have previously been involved with revising the content of several EOEP courses.

The course will be offered using a hybrid delivery, requiring some homework reading by participants and four video chat sessions. This will allow participants to review material on their own, participate in group discussions, and ask questions during the video chat sessions. The interactive course will be offered with the following schedule utilizing the Zoom platform:

- ◆ Session #1: Wednesday, September 30, 1:30 – 3:30 pm (this session is an extra 30 minutes to allow for an introduction to the technology used)
- ◆ Session #2: Wednesday, October 7, 1:30 – 3:00 pm
- ◆ Session #3: Wednesday, October 14, 1:30 – 3:00 pm
- ◆ Session #4: Wednesday, October 21, 1:30 – 3:00 pm

The course will be offered at a reduced rate of \$200. Please note that although EOEP encourages as many members of your council to participate as are interested, each participant must have their own device and individual registration to access course materials and video chats.

This course offering comes on the heels of four previous online EOEP courses, all of which sold out in just a few days, so be sure to register early.
