Grade Crossing and Rail Safety Webinar

Transport Canada to host webinar October 27

Transport Canada (TC) and road authorities will be hosting additional information sessions focused on some of the key points to consider when applying for funding under the [Rail Safety Improvement Program \(RSIP\)](#). While the key focus of these sessions will be the RSIP, TC will also touch on points of interest on the requirements of the Rail Safety Grade Crossings Regulations (GCR) that will be required by November 28, 2021. Material regarding how the Canadian Transportation Agency (CTA) can help resolve crossings disputes will also be covered. [More information](#) regarding the CTA is available.

You are invited to attend a teleconference / Web Ex information session from Transport Canada on the RSIP and the GCR. The next session will be held October 27, 2020 from 11:00 am to 1:00 pm.

Please register or express interest by emailing Parvina.Ramsahok@tc.gc.ca and a return email will be sent with a WebEx confirmation and instructions for accessing the session. Attendance is on a first come, first served basis and with a maximum of 40 participants per session.

If you have any questions on the Rail Safety Improvement Program, please e-mail tc.rsipitr-pasfitr.tc@tc.gc.ca.
