Register for Infrastructure Asset Management Alberta's Upcoming Virtual Workshop

Register for the next IAMA workshop, held in three-hour sessions over two days

Infrastructure Asset Management Alberta (IAMA) is hosting a [virtual workshop in February](#). Workshop programming will be delivered over two days on February 9 and 10, 2021. Each day, virtual programming will run from 9:30 am to 12:30 pm and include an opportunity for networking.

The [workshop agenda](#) will feature presentations on several topics, including how to take a regional approach to asset management, facilities asset management, developing a governance structure that supports asset management, and other topics. Speakers include municipal representatives and subject matter experts from Alberta and elsewhere in Canada.

For IAMA members and those interested in becoming members, the workshop will also feature IAMA's annual general meeting, including an election process for some board positions.

[Workshop registration](#) is being offered at a special reduced rate of \$75, although the rate is further discounted with the purchase of an [IAMA annual membership](#).

IAMA is targeted towards municipal staff and those familiar with or seeking further information on asset management. RMA is a member of the IAMA working group and on the IAMA board.
