Comprehensive Emergency Management Program

Program provides training for those responsible for emergency management

Augustana Extended Education (AEE) has partnered with the Northern Alberta Institute of Technology (NAIT) to offer [training in emergency management](#). This program provides participants with the tools to build and deliver a compliant and integrated comprehensive emergency management program specific to the needs of their community or organization. This course was created for anyone with emergency response, continuity of operations or services, and / or business continuity responsibilities for their community or organization.

The course will be held through two modules in May and June:

- ♦ May 25 and 26, 8:30 am – 12:00 pm
- ♦ June 22 and 23, 8:30 am – 12:00 pm

The cost to participate in the course is \$695. For more information on the course, visit [AEE's website](#).
