## ARHCA Releases Updated Equipment Rental Rates Guide

*The Equipment Rental Rates Guide provides users with industry standard rates*

The [Alberta Roadbuilders and Heavy Construction Association](#) (ARHCA) has released their 2021 [Equipment Rental Rates Guide](#), which is available for purchase. The ARHCA Equipment Rental Rates Guide provides users with up to date, accurate information on equipment rental rates. The rates are calculated using current Alberta-based data. While owners and renters should feel free to negotiate rates, the guide is designed to provide a fair market value for equipment rental.

The ARHCA Rental Rates Guide is the accepted authority for:

- ◆ Alberta Transportation
- ◆ Alberta Environment and Parks
- ◆ Parks Canada
- ◆ Canadian Forest Service
- ◆ City of Calgary force account rates
- ◆ City of Edmonton force account rate for contracted roadway construction
- ◆ City of Edmonton Transportation and Streets for the winter road programs

It is also used frequently by irrigation districts, municipalities, and consulting engineers. For information on the guide, please contact [info@arhca.ab.ca](mailto:info@arhca.ab.ca).
