## Save the Date for the RMA 2021 Fall Convention

*RMA is planning an exciting in-person gathering of all our members in November*

The RMA Fall Convention will take place November 23 - 26, 2021, at the Edmonton EXPO Centre. We are looking forward to welcoming our newly elected officials and greeting our returning members as we gear up for four days of an action-packed agenda. RMA had not hosted a physical conference in two years, and we are excited to bring back handshakes, coffee, buffets, group tables, and hospitality nights.

The convention program is still being developed, but will include plenary addresses, the resolutions session, specialty workshops, and engagement with provincial government. In addition, this convention will include the election for the RMA Vice President, as well as the Director for District 2, District 3, and District 5.

We will also host our tradeshow on November 23 provide you with an opportunity to connect with our supplier partners as you consider your budgets and projects for the upcoming year.

Our hotels are working hard to get the bookings open and we will have those available to you soon. The registration deadline will be in early November to accommodate changes in the election, and we will work with all of you throughout the registration process to ensure everyone has an opportunity to attend.

We will continue to keep you updated as we solidify our plans over the coming months. Our [website](#) will also be kept up to date with new information as it is confirmed.

We're looking forward to seeing you in November!
