## Share Your Gas Tax Fund Success Story with FCM

*The Federation of Canadian Municipalities (FCM) is undertaking a national campaign to showcase the importance of federal funding for municipal infrastructure*

In advance of a likely upcoming federal election, FCM is undertaking a national campaign to showcase a series of municipal [Gas Tax Fund \(GTF\)](#) / [Canada Community Building Fund \(CCBF\)](#) success stories from across the country.

FCM is interested in working with specific municipalities with a GTF / CCBF-funded project that has improved the community and enhanced the quality of life for residents.

Those interested in sharing their success story can do so by [completing a short survey](#).
