Available Munis 101 Sessions

Registration is open for Munis 101 sessions following convention

The [Elected Officials Education Program \(EOEP\)](#), in partnership with Alberta Municipal Affairs, is delivering Munis 101 courses across the province to help municipalities meet [Municipal Government Act \(MGA\) orientation requirements](#). Although the courses are mainly intended for new and returning councillors, CAOs are encouraged to attend to supplement the topics covered with municipal-specific information. Munis 101 is also the foundational course for the [Municipal Elected Leaders Certificate](#), which the EOEP bestows in partnership with the University of Alberta's Augustana Extended Education program on councillors who complete all seven EOEP courses.

Please note, as per the REP requirements, copies of medical exemption letters will not be accepted. It must be the original letter. Results from Alberta Health Services tests are not permissible.

EOEP's [refund policy](#) has been updated to reflect that anyone who is feeling unwell or tests positive for COVID is not to attend. EOEP will also enforce the current mask bylaws in place, which require attendees to be masked unless consuming food or beverage at a table.

We thank you in advance for your cooperation and look forward to welcoming you to one of our in-person or virtual offerings.
