RMA Seeking Nominees to Participate on Safety Codes Council Fire Sub-Council

RMA's position on the sub-council has recently become vacant

The [Safety Codes Council](#) (SCC) is a statutory corporation that oversees the development and administration of safety standards throughout the province. The SCC includes ten sub-councils focused on reviewing and developing safety codes for specific disciplines.

RMA serves as a nominating organization for one position on the SCC's [Fire Sub-Council](#). The Fire Sub-Council focuses on adopting codes that help to minimize and prevent fires.

The detailed competencies required to serve effectively on the Fire Sub-Council are available in the [member description](#). Additionally, the specific RMA representative on the committee must meet the following [qualifications](#):

- ◆ Works in a rural municipality (required)
- ◆ Recognized experience in the fire industry and / or as a fire safety codes officer (required)
- ◆ Familiar with the Fire Code and Building Code (current editions) in all aspects (required)
- ◆ Familiar with the *Safety Codes Act* and its authority (required)
- ◆ Involved in a quality management plan (QMP) process (preferred)

Anyone meeting the competencies and qualifications requirements is encouraged to apply. Applications must consist of a brief resume or profile that outlines the applicant's alignment with the competencies and qualifications, as well as the applicant's contact information.

Please submit applications to Wyatt Skovron, Manager of Policy & Advocacy by email to wyatt@RMAAlberta.com. The application deadline is **January 17, 2022**. The RMA Board of Directors will review applications and select a nominee for the Fire Sub-Council.
